

Dear Golfers,

Rain rain go away.....it never did!!! What a season!! Here are a few facts from April 1st to October 30, 2018. 93 days of the 217 days it DIDN'T rain...April was the rainiest month with 8 days of no precipitation. July was the leader with 16 days of NO rain. All in all a total of 41.99 inches fell in the above time period. 2017 we had 28.39 inches and 2016 21.23 inches.

The 2019 tournament schedule is listed for you. The biggest change is the Member-Guest. We have moved it to the last week of September. We moved the Handicap Championship to October 12th and 13th. You must have a GHIN handicap index to play. The GHIN handicap dues are added to your membership dues. The Club Championship this year will be Stroke Play”

We are always looking for better ways to keep our events fun and competitive for everybody. We welcome any suggestions so please don't hesitate.
